How to access Lectura

If you don't have a lectura account or forgot your password: Contact lab@cs.arizona.edu
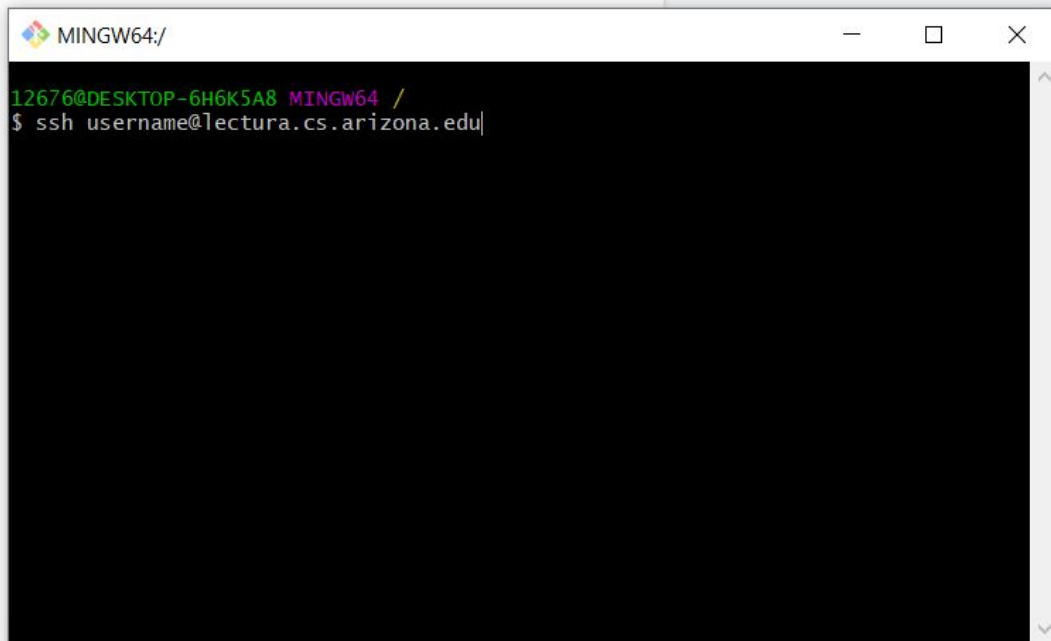

Instructions to login:

If you are using Mac or Ubuntu, you should be able to use the Terminal.
If you are using Windows, it's better to download the "**MSI ('Windows Installer')"** from Putty (https://www.chiark.greenend.org.uk/~sgtatham/putty/latest.html)

1. Open the terminal or putty and
   - For Putty, type in <your-username>@lectura.cs.arizona.edu
   - For Mac/Ubuntu terminal, type in ssh <your-username>@lectura.cs.arizona.edu
   And hit Enter.

ectura:

MINGW64:/

```
12676@DESKTOP-6H6K5A8 MINGW64 /
$ ssh username@lectura.cs.arizona.edu
```

2. If prompted to validate whether or not you trust the connection, type yes and press Enter.
3. Enter your password when prompted to and press enter.
4. You are now on lectura.

lectura.cs.arizona.edu - PuTTY

```
Using username "ahmadmusa".
       - @lectura.cs.arizona.edu's password:

ATTENTION
Lectura experienced issues on the morning of September 8th 2020.
These issues required a full reboot to correct.
If you experience any remaining issues please contact lab@cs.arizona.edu
